VILLA L'OLIVIER
Les Hoirs D'Esteve
Quartier le Lauva
83120 LE PLAN DE LA TOUR
LE VAR- CÔTE D'AZUR
France

On the A8 Toll Motorway take exit 36 (Le Muy, SaintTropez).

Directly after de Toll bear right for Saint Tropez/Sainte-Maxime on to the N25.

Continue on the N25 until you arrive at Sainte-Maxime where you turn right on to the D74 signposted for "Le Plan de La Tour".

(There is a "Route Touristique" sign for Le Plan de La Tour a few kilometers before Sainte- Maxime on your left hand side. It has some truly spectacular views on the Gulf de Saint Tropez but is not for the faint hearted. A nice trip during your stay at Villa L'Olivier but not recommended after a long journey).

So follow the D74 to the second roundabout at the entrance of the village. From here, take the direction of "Centre-ville".

Drive through the village until you arrive at a T- junction: turn right onto the D44 direction LE MUY.

Follow the winding road for about + / - 1.5 km between the houses until you leave the village again .

The road climbs until you come to a short straight with a wall on your left.

At the top of this straight you will see a public refuse area, some post boxes and a sign designating "Table de Fred". Take this sharp left.

Once between the vines, follow right-left-right. You can now see a dozen of grouped together houses , the first one on your right is "Villa L' Olivier ".
